

ASAN-İMZA IT'S YOUR TICKET TO A NEW, MODERN LIFESTYLE!

What is Asan İmza (Mobile ID)?

Asan İmza is your digital ID on your SIM card. Asan İmza enables access to public e-services, internet banking and many other electronic services. Asan İmza is required for individuals and legal entities, as well as for public officials.

ANYTIME, ANYWHERE

Asan İmza works on any mobile device! You can use Asan İmza not only in Azerbaijan, but anywhere in the world where a mobile connection is available.

ASAN İMZA IS CONVENIENT

- The same SIM card can be used for several certificates, i.e. you can use it in the role of a citizen, a business representative or a public official.

With Asan İmza, you can sign documents, make transactions and use e-services right on your mobile phone, no matter if you're in Baku or on the Canary Islands.

ASAN İMZA IS EASY

- Your digital ID and digital mobile signature on your SIM card.
- No card readers, ID cards, tokens or software required!
- The only things you need to know are your two PINs.
- PIN1 allows you to identify yourself in any electronic system.
- PIN2 is used for signing.
- In accordance with Azerbaijani legislation, your digital mobile signature is legally equivalent to a hand-written one.

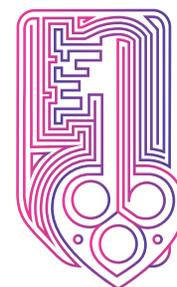

ASAN İMZA IS SAFE

The procedure for obtaining Asan İmza meets the requirements of issuing an identity card. The chip embedded into your SIM card contains the information required to verify your identity.

- **Attention!** No one can use your Asan İmza without knowing the PINs.

It is extremely important that you don't give your Asan İmza SIM card and PINs to anybody else. In doing so, you will provide that person with access to all of your personal data, allowing he or she to operate on your behalf. You are nevertheless liable for all actions taken using your mobile signature!
